SAROJA PRESS

We create wonders with paper

E. P. Sindhuraj
Managing Director

Dear Friends,

From a humble beginning in the 1980s, Saroja Press has been on an epic journey towards business excellence emerging as one of the leading printers in South India with a formidable client base. Over the years, we have faced many challenges in our journey to excellence and have been always competent enough to surpass them which has helped us to acquire a reputation in successfully delivering new and challenging assignments of a very high standard in a time bound manner.

Absolute commitment to quality, meticulous attention to detail and unparalleled level of service has made us a leading specialist in Design, Pre-Press, Printing and Post-Press services. As a company, we are committed towards employing skilled operators and staff, investing in the very best technology available and maintaining a close involvement with the industry.

With all-in-house facilities, our experienced team of professionals equipped with world class technology and stringent quality control at every stage of the print assignment will always continue our relentless crusade to deliver the very best to our clients.

“What we promise, we deliver”

Note – We are registered with **The Directorate of Industrial Safety and Health (The Factories Act)** and **Udyam (MSME)**.

“We Design to make it Divine”

Creative Graphic Designing

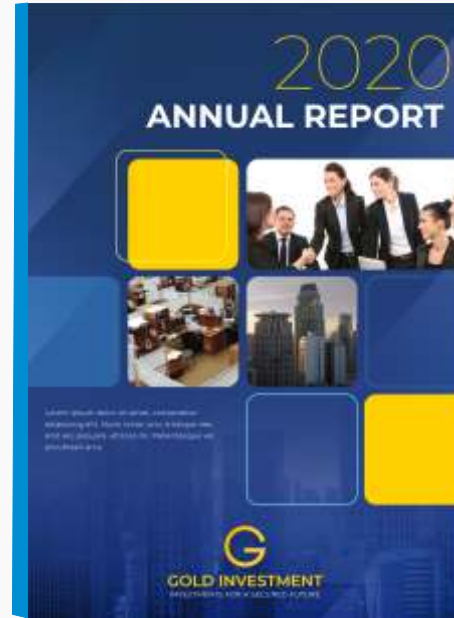

We have a truly gifted graphic designing team in-house. Our clients can be assured of the fact that our designing team is quick on the uptake, especially in understanding the brief and nuances of the concept. We come up with appealing and innovative visuals that helps in generating workable and creative solutions to our clients every time.

On-Site Designing Experience

For our clients with busy time schedule, we provide on-site design experience wherein our Graphic Designer equipped with laptop would take in your requirement and have it executed then and there at your convenient place. Thus, saving your precious time.
